1812 British soldiers burn our nation's capitol to eliminate the original thirteenth amendment Titles of Nobilities Act that forbids any nobility from holding public office or trust. The British lost the battle and could not take the colonies. The crown decided to take the colonies from within by stealth. British Accreditation Registry (B.A.R) card holding lawyers with an oath given to Britain (allegiance to a foreign power) were instructed to subvert the American government and destroy it from within.

1861 A Lawyer by the name of Abraham Lincoln in violation of the Title of Nobilities Act (Original 13th Amendment) became president on March 4th. On March 14th eleven southern states walked out of Congress without adjourning and settling a date to return. This is Sine Die. This is the day the Republican form of Constitutional government became vacant. After this date America has no government and all government actions are defacto and fraud

1863 Abraham Lincoln issued General Order 100 stating that "Until the people return to self governing, the military is to run the country." America came to be governed under the Lieber Code (Military Law, Martial Law).

1871 District of Columbia Organic Act of 1871 established Washington DC as a corporation to provide 19 essential services to the American People. The Constitution for the united States was changed to THE CONSTITUTION OF THE UNITED STATES.

1928 The War Department issued Field Training Manual 2000-25 on Citizenship and how to return to a Republican form of Constitutional government from a Democracy. General Douglas MacArthur studied under this manual.

Things you didn't learn in school

1932 Franklin Delano Roosevelt orders the Training Manual 2000-25 and all negative references to a Democracy destroyed with no explanation.

1945 General Douglas MacArthur created Project Bluebook where he handpicked a few of the brightest in the special forces and trained them in nation building and the Constitution. The men who participated in Project Bluebook formed the restore America plan.

2009 Those who studied under General Douglas MacArthur and the Restore America Plan initiated the resettling of counties and states via original jurisdiction assemblies. The Michigan General Jural Assembly (MGJA) adjourned the Congress Sine Die March 14th 1861 session, brought it forward to 2010, and scheduled the next meetings proper each month since to today's interim status.

2011 Notice was given to office of POTUS, Michigan Governor, et-al and remains unrebutted through today. December 2011 MGJA issued 21 Requisitions to Office of POTUS, Joint Chiefs of Staff, Pentagon, and Secretary of State.

2018 MGJA created a school named National Assembly to teach people from other states how to duplicate what Michigan has done.

2019 Seven Alaskans came together on October 5th in Wasilla Alaska and formed the Alaska General Jural Assembly and have been growing through today

Alaska General Jural Assembly (AGJA)

We are the People of Alaska exercising our right to assemble under Article I of the Bill of Rights. Our goal is to return to original jurisdiction. You are invited.

The purpose of the Assembly is to protect the life, liberty and happiness of the Alaska people from any government or corporation.

Requirements to participate in an assembly:

- * Common Sense*
- * Willing to participate in assembly*
- * Willing to serve your local community*
- * Any Title of Nobility is forbidden*

As a member of the Alaska General Jural Assembly your vote will count. Your participation is an opportunity to serve the people of Alaska. It is a right, a responsibility, a duty, and an honor to correct injustice.

The safety and well being of the people of Alaska is our highest priority. We aim to motivate elected people in government offices to protect the people's rights and to cease abusing the offices for profit at the peoples expense-or be removed from office.

This assembly of Alaskan people seek to do God's will, observing God's law, Common law, and Constitutional law.

Alaska's de jure Time Line
